

Ladies and Gentlemen

Setup:

Ladies:

- Deal 4 Artisan (store) cards
- Random servant

Gentlemen

- \$500 and 1 random resource token with value \$100

Morning:

Ladies:

- Pick what to stock store with, draw cards and pick one for storefront
- Pick store (secret)

Gentlemen:

- Stock: 1 contract and 5 resource tokens per Gentleman + numbers tokens in pile face down
- Using 1 hand draw 3 resource tokens
- Find number token, can take number token earlier but must stop picking resources

Afternoon:

Ladies:

- Visit stores in order based on tiles from Gentlemen, pick one item and pass hand, continue till everyone passes
- Can only pick 1 servant
- If no one (including the Lady) goes to your boutique get the storefront item half off

Gentlemen:

- In order: sell resource tokens or complete contracts
- If first to complete contract get bonus, everyone else can still complete without bonus
- Discard completed contracts

Evening:

- Ladies give Gentlemen clothing they want to be purchased
- Gentlemen can purchase, discard, or give it back to the Lady by paying \$100
- Item kept multiple rounds will need to be paid for every round

End Game:

- Game ends after 6 days
- Add up elegance points. Ties go to team with most money

Gossip:

- 3 Gossip cards to each lady
- May hand out 1 per turn when condition is met by another player
- Any remaining at end are -1 point
- If no one visits your boutique may discard gossip card instead of half off item

Courtesan - odd number players:

- Visits stores like Lady but doesn't own one. Always visits second
- Contracts: 5 players => 3; 7/9p => 4
- Starting money: 5p => \$1500; 7p => \$1200; 9p => \$1000
- Courtesan gives clothing to Gentlemen who buy it for her. Gentlemen must buy as many clothes for his Lady as the Courtesan. Courtesan tracks who buys her what
- Courtesan may keep up to 3 cards round to round
- End game: if courtesan wins then wins with the Gentleman who bought her the most stars, ties go to richest. Courtesan wins ties
- If Courtesan is in last place scorns the Gentleman who bought her the fewest stars, that team loses
